PROFESSIONAL EXPERIENCE

Techsolv IT Service

Frontend devoloper | Web Designer | November, 2023 - December 2024

- I crafted responsive and user-friendly websites using HTML, CSS, SCSS, Bootstrap, Tailwind, JavaScript, jQuery, and other Javascript plugins such as Gsap, Swiper, and other modern animation plugins.
- Worked collaboratively with team members to meet client requirements and assure system performance and compatibility on multiple web browsers.
- I handled both the design creation and coding of a website from the ground up.
- Restored site interactivity and enhanced user experience through the use of advanced CSS techniques and animations.
- Improved site interactivity and usability through the use of jQuery plugin integrations.
- Upgraded the website towards web accessibility, performance optimization, and SEO.
- Transformed prototype and mockup designs into fully working websites.
- Tested and debugged web applications to work seamlessly across various device and browser combinations.
- Used my aesthetic and UI knowledge to improve the website design and usability.
